1. Request is hereby submitted to obtain the assistance of [redacted] Training Officer, RI, to present the lecture on RI in the next Phase III Course of the Basic Training Program. This lecture is tentatively scheduled for Friday, 26 February, from 1300 to 1400 hours. We will provide air transportation from here to the training site; meals will be provided. Please call [redacted] extension 3001, for the required briefing of visitors to the training site. All details of transportation, meals, etc., can be worked out at that time.

2. It is understood that RI is making up a complete set of visual aids. Will these be available for this course?
